NOTE.

S.No 24/a

One Servegar Linga Gow. of Belur Taluk purchased the right of grazing in the Amrit Mahal Kavals of Leegegudda and Ramadevar halla in the Hassan Distt for 1899 and paid in all Rs. 1758-; and took possession of the Kavals from the Forest Dept. The Superintendent of the Amrit Mahal prevented him from using the grass as he considered that the sale by the Forest Departt was irregular. On further correspondence and pending the disposal of the question relating to the management of the Kavals Govt. directed that the money paid by

Luigespurda should be refunded to him. In his letter N° 340 of 25th April 1901 the Deputy Commr of Kaira reports that the amount has been refunded to the Sarvegar.

Sl. N° (28)

2. With reference to the request of the Sarvegar praying for interest at 24 per cent plus a profit of 6 pies on every rupee, the Dy Commr, in the above letter, states that an interest of 6 per cent may be paid, which interest being itself a profit Mr. Devaraj urges is not for giving any add profit as prayed for by the petitioner

Sl. N° (37) & (31)

A draft is put up sanctioning interest at 6 per cent for approval or other orders. In the Secretariat Minister case of Kamalkantha interest @ 6% was sanctioned.

From

J. L. PIGOT, Esquire,

Conservator of Forests in Mysore.

To

The SECRETARY to the GOVERNMENT of MYSORE,

General and Revenue Departments.

Sir,

In continuation of correspondence ending with my letter No. 975/228 dated the 2nd September last, I have the honour to enclose an abstract translation of a petition dated the 19th July last and to communicate the following remarks.

X Subject to Govt orders 1/99 vide G. No. 1557. F. 104

2. On first learning of the conflict of jurisdiction between the Amrit Mahal and Forest Departments in Nagar in the matter of the particular sale referred to in the petition I wrote on the 3rd July to the District Forest officer (through the Deputy

Deputy Commissioner) for particulars
Again, on the 23rd July I asked the
Deputy Commissioner, as a matter of urgency
to obtain a report from the District
Forest officer and to favour me with his
opinion on the case. On the 7th August
I telegraphed to the Deputy Commis-
sioner asking when I might expect a
reply as Government must be commun-
icated with. Not hearing from the
Deputy Commissioner and the matter
still appearing urgent to me, I again
telegraphed on the 30th August. The
Deputy Commissioner replied the same
day that the report would be forwarded
on the 5th September. On the 12th
September I received the following
telegram from the Deputy Commissioner
"Regret non-submission promised report
Seegegudda grazing. Touring district.
Studying condition." Where the matter
has rested since, as I have not seen my
way to again ask the Deputy Commis-
sioner to favour me with a report on
the facts of the case with his opinion
thereon.

3. I

In now forwarding this letter for such orders as Government deem necessary, I have the honour to observe that, as I understand the matter, the petitioner Linge Gowda has had, during the past six months, prima facie a case for a Civil suit against Government; and that the longer a settlement is deferred, the greater will be the loss suffered by him. Presumably the Deputy Commissioner and District Forest officer are alive to this aspect of the case; but I am unaware what difficulties have prevented a prompt settlement.

I have the honour to be,

Sir,

Your most obedient servant,

J. L. Pyott

Petition registered as No. 97-B received in office on 19th July 1899, from Liege gowda of Halevahalli, Belur taluk. C.228

During the auction sale of Hulgavak jungles of the Forest Department, I purchased the contract of Seegadagudda jungle for Rs 850/ and of Ramadevarahallada jungle for Rs 908-7-- I paid up whole of the contract amount and obtained license Nos: 1 and 2 from the Hassan District Forest Department, with the charge of the jungles.

Contrary to the above, the Amrit Mahal Department issued notice dated 10th July 1899 (copy enclosed) prohibiting entrance to the said jungles, on the ground that they belong to the Amrit Mahal Department.

Besides, the Kavalgars of the Amrit Mahal Department graze 1,000 cattle in each of the jungles, thereby causing heavy loss to me and preventing entrance to or use of the jungles.

I

I have borrowed heavy sums on interest and purchased the Contract with the hope of gaining thereby any profit. But that will be my fate and who will bee responsible for damages that befall me? I therefore solicit that the case may be favourably considered and the jungles permitted to be given to me as per Contract without any obstacles, with just orders as regards the loss sustained by me as stated above.

I have also on this date, submitted petitions to District Forest officer and Deputy Commissioner, Haesan.

Superintendent Amrit Mahal

Notice order to Mulenahalli
Linge gowda and Adavibandenahalli
Arjuna gowda.

You brought to notice the fact
of auction sale of hulgaval grazing in
Seegadagudda and Ramadevarahalli
jungles which belong to Amrit Mahal
Department, but which were erroneously
sold by the Forest Department. You
were then alone informed that this was
irregular - yet it has been complained
to us that you trespass into the jungles,
causing trouble to the subordinates of the
department, the cattle and the ryots.
You should not thus trespass and
cause harm. You are warned that
if you have any orders, you can proceed
legally by filing a suit.

The

The Forest Department has been also written to. You can also represent to them. It is come to our notice that you have desired such and such reference orders.

Sheweth;

That your petitioner pur-
chased the Sekegeudda and Ramadevara
halli kavals in auction last June for
Rs 1,758-4-0, being ordered that he
might do so by your honour in the
Hagaré Camp, that immediately a-
fterwards he was served with a
notice by the Amrit Mahal De-
partment not to graze any cattle
thereon and he was thereby deprived
of the same.

That your petitioner made

several applications to the District Forest Officer and also to your Honour to have his case settled and he received two endorsements Nos 1652/228 and 2046/228 dated 11th November & 14th December 1899 stating that justice would speedily be done him but nothing has been done up to date either by the Deputy Commissioner or District Forest Officer.

That he was under the circumstances compelled in last February to serve the District Forest officer with a Lawyer's notice intimating that a Civil auction would be instituted against the Government for the recovery of his money with the loss sustained, but even this has had no effect and your petitioner is left to suffer.

That it is now nearly a year since he purchased the grazing rights

of the lands mentioned and he prays that his case may receive Consideration and that justice may be done him at an early date either by his being given the Kavals for the ensuing year with Compensation for loss or his money returned to him with Compensation, as otherwise he will be Constrained to seek redress in a competent Civil Court.

Your petitioner earnestly begs your honour will take his case into early Consideration and do him justice.

My dear Sir

I have received your Demi-official of the 24th July 1900 instructing that no grass should be sold by the Forest Officers in the Forests of the Sangi Jandir, Ramdemachalla, Aidenhalla & of this district. I beg to inform you that under my instructions the grazing rights in the above Forests were sold by the Forest Officers & the fees were credited by them on

on the 11th July 1800 the 12th July a
fortnight prior to receipt of
your D.O. under reply. The purchase
have also paid the full amount
of the purchase money together with
the usual local cess - The Ram
Ramballa purchase has also
been put in possession
& he has even sub-leased it -
The other purchasers though
put in formal possession,
have no practical enjoyment
of the areas sold to them -
In the grazing of the Amritsar
cattle however, an area of
more than 2000 acres has been set-

let apart and turn cattle into
in lieu of grazing land round
the Reservoir & Randwick Racecourse
State Forest will I feel sure
be more than ample for all the
animals which cattle must require
during the part. The forest
cattle will be debarred from walking
any part or hindrance. The part
that the grazing right in other
areas in the district of the Municipality
which abut adjoining the above
State Forest has been leased out
by them is itself I think a
proof that the forest cattle have
more than enough pasture.

I trust this will be sufficient
for your purpose, that any cancellation of
the

the above sales at present
will besides causing much
inconvenience to the purchasers
also tend to a good deal of
confusion. I fear if the Bill
will not be more far reaching
than that inasmuch it
might tend to shake the
public confidence in post sales
generally. In view of this
circumstance & with just that
sufficient grazing land is
available for post Calle L.
have requested the Conservator
of Forests to move the post

CS. 22/8/00

Comptroller in due course; and with reference to the latter part of the same para I beg to report that the grazing right of the Seegagudda, Ramadevarhalla and Hidahalla forests was sold already and the same confirmed by me on the 11th July 1900. I have addressed the Conservator of Forests in this office docket No. 315/mis. dated 14th August 1900 fully explaining to him the present position in the matter of the sales in question, and requesting him under the circumstances stated therein to move the Government to let alone this year's sales undisturbed.

2. — With regard to para 3 of the Government Proceedings under reply

reply, I beg to explain that the Conflict of jurisdictions between the Forest and the Amritmahal departments having become a most perplexing and even a vexed one it was exceedingly difficult for me to decide merely on the interpretation of the order of Government No. 10781-2 / 7+7 40-95 dated 13th may 1898. This order lays down that the "Selection of the areas for grazing should be made by the Forest Department as heretofore and the number and description of the cattle to be admitted to such areas should be regulated by the Amritmahal Department." Again notification No. 10783 / 7+7.40-95 dated 13th may 1898 says that the grazing in such portion of these areas as the Forest Department may throw

open

open for pasture will be under the control of the Amritamahal Department." It appeared to me to be a question as to how the Forest Department could at all throw open any grazing land in the absence of any data which so far as I could understand was not forthcoming from the Amrit Mahal Department. The best thing that could be done under the circumstances, was to set apart land which appeared to be sufficient in the opinion of the Forest Department, bearing in mind the superior interests of Government revenue, and ignoring the not desirable inter departmental disputes. To satisfy myself that that was done in the present case and to give my opinion to the

Conservator

Conservator, my personal inspection of the localities for some days was quite necessary but as a rapid tour was ordered by the Government as per Secretary's no. 1-8/D dated 15th August 1899 in view to report upon the then situation of the prospects of the season which threatened to cause some anxiety I had to defer my inspection of the jungles, in my anxiety to study the agricultural condition of the district. This fact I briefly wired to the Conservator on the 12th September last and not long after, the outbreak of Bubonic plague at Arsikere, a matter of first importance, caused considerable anxiety and demanded my continuous personal attention till February last.

Next followed the District Jamabundy and

and when I was conducting the
jamabundy of the Arkalgud Taluk,
the plague broke out in an epide-
mic form at Kattepura which
continued till about the middle
of April. just about this time,
the jamabundy of nearly one half
of the Chennarayapatna Taluk
had remained unfinished by the
absence of mr. Krishna Iyer on other
duty and I considered it best to
attend to it myself, in view to
the rather frequent changes
of my Assistants and returned to
Head Quarters by the 10th May.
Thus it may be observed that my
attention was drawn I may add
almost unremittingly in other
directions so much so that the

question

5V

question of the inspection of the forests under reference was unavoidably postponed fully sensible though I was of the magnitude of its own importance

3. ——— I may therefore assure you that the delay that had transpired was by no means wanton and while I very much regret it, I respectfully beg leave to submit that it was entirely due to circumstances which I had not anticipated.

I have the honor to be,

No, 741
161 Enclosures one

From

J. L. PIGOT, Esquire,

Conservator of Forests in Mysore.

To,

The SECRETARY to the GOVERNMENT of MYSORE,

General and Revenue Departments.

Sir,

I have the honour to forward for favour of very early orders, copy of a letter No. 315 Mis: dated 14th instant from the Deputy Commissioner, Hassan, together with copy of this office letter to which it is a reply, regarding the pasturage of cattle, belonging to or admitted by the Amrut Mahal Department, in the Shigegudda, Ramadevarahalla and Didahalla forests of the Hassan District.

2. It will be seen that, prior to the receipt of orders communicated in your D.O. letter of the 24th ultimo, the Forest Department

Department, acting under the orders of the Deputy Commissioner, had disposed of the pasturage in the three tracts, except, if I understand aright, in a portion specially set apart for Amrit Mahal cattle. I should say that I was not consulted by the Deputy Commissioner in regard to the grass-sales in question. But I verbally advised the District Forest officer that, pending orders of Government, no sales should be effected which would be likely to bring the Forest into opposition with the Amrit Mahal Department. The necessary orders have since been issued in Proceedings No. 771—3 dated 26th ultimo, No. H. F. 40-95

3. I would respectfully invite the attention of Government to the fact that though I have in no way influenced the Deputy Commissioner in this matter, his views are in strong support of the position I took up; and I have no reason to think that the late Deputy Commissioner of Kadur (Mr. Carr) holds opinions differing essentially from mine.

4..

4. It will be observed that the Deputy Commissioner asks that the grazing leases entered into by the Forest Department may be allowed to stand on the ground that "more than enough grazing is available elsewhere for the Government cattle" and that inconvenience will be caused if the leases are rescinded. As the purchasers have paid in full for the leases, disturbance will entail the refund of the lease money and possibly suits for damages. On the other hand Government has now in the treasury the value of grass fodder, and none of this value will again be credited to Government if the leases be cancelled and the available pasturage be made over to the officials of the Amrit Mahal Department. The money as in all similar cases, will simply be taken by the Amrit Mahal petty officials.

5. I think that the foregoing may be accepted as fact. In view of the strong personal views I hold on the general

general issues involved, I refrain from
expressing any opinion on the request of
the Deputy Commissioner which I
now submit for orders.

I have the honour to be,
Sir,
Your most obedient servant,

To

The Conservator of Forests

Dated 14th August 1900.

No. 315
Mis.

Mis L. No. 6 dated 24th ultimo forwarding copy of a communication of the 24th idem from the General Secretary regarding the grazing in the Ramederarahalla, Shigegudda and Didahalla forests of this District for immediate action.

With reference to the above, has the honour to state that the right of grazing in all the above Forests was sold by the Forest Department under the undersigned's instructions and the sales were confirmed on the

11th

ultimo. i.e. fully a fortnight prior to the receipt of the Secretary's communication under reference. The purchasers have also paid the full purchase amounts together with the usual local cess. In the case of the Ramadevarahalla forest, the purchaser has also been put in possession, and he has even sub-leased it. Though the purchasers of the other two forests, have not been put in formal possession, yet one of them, it is stated, has been allowing the village cattle to graze and the other is keeping a close watch over his. Thus, from the date of confirmation of the sales, the lessees have been preserving the grass, and preventing the cattle of the sebedar and other Amrut Mahal subordinates from grazing in the areas sold to them. It may be stated, however, that no steps have been taken to select any area as close forest".

As instructed, all Government cattle

cattle will be admitted without any let or hindrance and free passes will be issued to all the cattle other than those of the Government which the Amrut Mahal Subordinates want to graze in the above State and Reserve Forests, but it is doubtful if the Amrut Mahal subordinates will apply at all for any free passes as they want to be independent of the Forest Department. The total number of private cattle for which passes may be issued for each of the Forests, will also be reported in due course as desired.

It may be mentioned here that an area of more than 2,000 acres in the Hidahalla Forest has been set apart for the use of the Amrut Mahal cattle that may be brought to these parts for grazing purposes. The above area together with the belts of grazing land round the Shigeguddo and Ramadevarahalli State Forests, will be more than ample for

for all the Amrit Mahal cattle that exist these parts. Adjoining these State-Forests there are other areas in the control of the Amrit Mahal Department grazing in which has been leased out by them for shorter or longer periods which in itself shows that the Government cattle have more than enough grass in the areas exclusively reserved for them and there is no necessity for the aforesaid three Forests being thrown open for them, setting aside the sales which have already been confirmed.

As the Forests mentioned above have been sold out already and the purchasers have been in practical enjoyment thereof, and in one instance, the purchaser has even sub leased his portion under-signed is of opinion that any Cancellation of the sales at present must not only be fraught with much

much confusion, but is also bound to shake the public confidence in the Government sales generally, not to mention the inconvenience to which the parties in the present instance might be exposed.

Having regard to the above circumstance and to the fact that more than enough grazing is available elsewhere for the Government cattle that may be brought to these parts, undersigned requests that Government may be moved to leave this years sales undisturbed.

I Has the honour to forward for favour of early attention by the Deputy Commissioner a copy of a communication dated the 24th instant, from the General Secretary to Government conveying instructions which should be immediately acted upon regarding the Shigegudda, Ramadevarahalla, Didahalla and other forests of the Hassan District.

2. The undersigned would be glad to learn what action has been taken in selling the grass crops and in selecting any area to be "close forest." Also what action will be taken to give effect to the present instructions in the matter of passes for village and other non-Government cattle introduced into the forests by the officials of the Amrit Mahal Department. It would obviously be desirable to ascertain how far the alleged want of fodder for Government cattle is

caused

caused by the admission of private cattle. In any event, while Govt cattle must be admitted without let or hindrance, during the current year, no private cattle can be admitted or be permitted to pasture which are not covered by a pass; and the total number of private cattle pastured at the instance of the Amrit Mahal Department in each of the areas specified should be reported in due course. Grazing passes should be issued promptly upon application and no restriction can be placed on the total number of passes to be issued.

. Mr Thurbon Chelsea

Does not endorse Govt. to cancel

his sales of the A.M. Kenrals at Hapsa.

I do not intend at all likely that

the purchasers will sue Govt.

But the balance of grass left must

by this time be very small & it

is hardly worth while.

I hope you will take serious notice

of the action of the D.C. & the For. Office.

They have deliberately disregarded

Govt orders and the remonstrances of

the A.M. Dept.

The Dy C. says that the D.O letter of

24th July arrived too late.

Ignoring the fact that the D.O of 24th July

told him to enforce the order of 6th January !!

I rebuked the action of the Forest Officer in the Ramnagar. He replied that the sales were not irregular but conducted by order of the D.C.

On turn as you know I quashed the Govt. order reiterate the order of 6th January.

You will see from the above that these officials have acted in entire disregard of the spirit of the orders and have deprived the A.M. of some excellent grazing at a very critical period without any adequate reason as I trust you will deal severely with them.

In regard to the alleged sale of A.M. grazing in the neighborhood. This sale was not confirmed by the Subdr. & the Damages concerned will probably be diminished as the result of an enquiry started by the Subdr into this very matter

Yours sincerely

Sir,

I have the honour to advert to official memorandum No. 544 H.F. 40-95 dated the 26th February last, forwarding for report a petition received from Sarupgar Lingegonda, — claiming interest @ 24 o/o and a profit of 6 fies on every Rs 10 paid by him for the

the lease of grass in the Shiggudda and Ramadevarahalla Kavals, and requesting for an expression of my opinion on the above claim and as to how it should be treated, I have the honor to state the facts of the case briefly as follows:—

In June 1899, the right of grazing in the State Forests of Shiggudda and Ramadevarahalla was purchased in the auction sale by the petitioner for a period of 7 months, from July 1899 to January 1900, for Rupees 850/- and Rupees 908-7-0 respectively. The petitioner paid up the full amount in time and obtained the necessary license to graze cattle in the said Forests. But when he was about to allow cattle into the Forests, he was prevented from so doing by the Amrit Mahal Department and a written notice was also issued to

to him [illegible] by the Superintendent of that Department, strictly directing him not to enter the Forests inasmuch as they belonged to the Amrit Mahal Department.

8th N° 24 G

Thereupon Linggegowda submitted several petitions stating that in consequence of the obstacle thus thrown in his way, by the Amrit mahal Department, of exercising the right which he had purchased from the Forest Department, he had sustained loss and so prayed for either the refund of his money with interest @ 24% and profit or to allow him the grazing right in the Forests for a period of 16 months

— Government in their Proceedings

No. 771-3 / Ft. 740-95 dated the 26th July 1900 ordered the refund of the amount paid by the petitioner.

Cr. 28

The

The amount was accordingly refunded to him in November last.

He then submitted petitions to Government praying for the payment of interest and profit @ 24 p/c and at 6 pies on every Rupees 10 respectively.

Considering all the circumstances of the case, I am of opinion that interest @ 6 p/c, is moderate and reasonable and may be paid. But as regards the profit claimed by the petitioner, I do not see any reason as to why he should get a profit in addition to the interest which in itself is a profit on the amount invested in the transaction.

The petition received with the above is herewith returned.

No. 544 / Ft. 40-95 Dt. 26-2-01.

Forwards the above for a very early report

To Linge gowda

No 545 / Ft 40-95 Dt 26-2-01

Informs him of the above.

Sl 17. From the Dt C. Hassan

No 340 Dt. 25-4-01.

Recommends that interest at 6% may be paid to the petitioner who should not however obtain any additional profits as the interest on the amount paid is itself a source of profit.

Sl 18. To the Dt C. Hassan (2) Comptroller, M.G (3) Linge gowda

No 767-9 / Ft. 40-95 Dt. 16-5-01.

Sanctions the above.

My dear Mr. Fyfe

I have received your letter about the superintendentship and I will write a short note to Mr. Hacket now that I am not sure whether you intend Assistant Conservator or Deputy Conservator. How did you know all that

you will receive the best attention of both myself & the Dewan who continues to take active interest not only in forest matters but in all matters affecting the State.

I write what you say about Balan. Explain to Mr Theobald.

If you like you may send in Application & have a personal talk with him - Shamiya was telling me that he had contracted marriage

you write about this
now. My opinion was
& might be all your
attention to this
- Sabotaging state
of management
by making elephants
and suggest the
desirability of making
other arrangements.
You are mistaken if
you suppose - even
for a moment that Associa

will be thrust upon
you without your
consent or that any
such has been given
to him. I hope for em-
ployment except on
your recommendation
In fact he does not
know yet that I have
written to you mer-
tioning his name.
I shall of course await
your further proposal
which I may assume

alliance here and
that was why he was
will be reemployed.

As you will be
hearing soon I shall
have the pleasure
of seeing you & discu
-ssing there & other
matters with you after
these festivities are over.

Yours very Sincl

MYSORE DEWAN'S OFFICE.

FOREST BRANCH.

OFFICE NOTE.

SUBJECT: Memorial dated the 5th September 1903, from Bosemeah, late Field Inspector of the late Mysore Kheddah Deptt submitted to His Highness the Maharaja of Mysore.

LAST REFERENCE. Letter No. 878 dated 19th Sept. 1903 from the Private Secretary to H. H the Maharaja of Mysore.

Sales
He has not been bound by any such agreement.
M.

In the above, the memorialist represents that there is an implied* agreement that the memorialist will have to join the Kheddah Deptt at Mysore whenever his services are required and that this agreement prevents him from accepting service under any other Government and prays that in consideration of his past good services and the insufficiency of pension which he is getting now, he may be reemployed in the Mysore Kheddah operations this year and whenever they are started.

2. No such agreement exists between the Government

Ex

Government and the Memorialist. But it will be found in Serial No 22 that there was an intention to have a clause inserted to that effect but the late Dewan has struck it out.

3. Several times he renewed his application for reemployment, or enhanced pension and grant of lands. All these requests were refused. He now appeals to His Highness the Maharaja. — The views of the late Conservator are contained in his D.O. dated 17.10.00. There is also a D.O. in the file from the present Dewan regarding Rosemeath.

The Memorial to H.H. is sent to this Office for disposal and no report seems necessary.

If directed the petitioner will again be informed that his services are not required in the Forest and that his Govt. have no objection to his taking up service anywhere else.

Yes, and I submit the file to the Second Committee Mtg.
